MALAYSIAN JOURNAL OF COMMUNICATION

JKMJC

Jurnal Komunikasi: Malaysian Journal of Communication (JKMJC) is the pioneering journal for media and communication studies in Malaysia and the South-East Asia Region. It is an interdisciplinary, bi-annual, **blind reviewed online publication that publish four times a year** which allows researchers to present findings and discuss challenging issues in the broad field of mass communication. Its academic mission is to bring together specialists from diverse scholarly disciplines to **discuss and interpret media and communication issues**. Its content covers current issues in media and communication research, addressing global and local concerns. While theoretical articles are invited, the journal places higher value on original research based articles and opens its door to articles from the various epistemological, ontological, methodological and axiological perspectives.

Achievements :

- 1 JKMJC is currently indexed in **SCOPUS, DOAJ, Google Scholar, MyJurnal, Open J-Gate** dan **Asean Citation Index (ACI)**.
- 2 JKMJC has also been selected for coverage in **Clarivate Analytics products and services** to meet the needs of the scientific and scholarly research community.
- 3 This journal is also **indexed in the Islamic World Science Citation Center (ISC)** and beginning 2015, it has been **indexed and abstracted in Emerging Sources Citation Index-ESCI (ISI, Web of Science)**.
- 4 On 25 Oktober 2018, JKMJC had been **recognized by our Kementerian Pendidikan Malaysia (KPM) as a CREAM journal** for achieving one of the **high performance journal category** that had been indexed in the SCOPUS in the field of social sciences and humanity **at international level**.

- Each manuscript must have an **abstract (between 200-250 words)**;
- And list **5 key words** under the abstract;
- **Endnote and footnote are NOT encouraged**;
- All manuscripts must be typed in **Microsoft Word (word.docx)** and single spaced, **Calibri, font 12. Margins** are to be set at **Normal (2.54cm all round)** and **paper size at A4 (21 x 29.7cm)**;
- Authors are responsible to **check the accuracy of language** before submission. The Editorial Board will not edit submitted manuscripts for style or language.
- Upon submission of a paper, the author/authors are to provide the editorial board with **names of three reviewers from different institutions**, complete with their addresses, designations and email addresses. Do also attach a brief **biodata of all authors (about 50 words)**. **Attach these all as a Supplementary File**.
- Authors are expected to carefully **proofread their work and check all the guidelines before submission**.
- To facilitate the blind review process, please ensure that **the authors' names do not appear anywhere in the manuscript or in the filename**. Authors' names, designations and institutional addresses should be in a supplementary file.

DUTIES OF AUTHORS

- Have the responsibility of **ensuring only new and original work (not plagiarized) is submitted.**
- Must **not reproduce work that has been previously published** in other journals.
- Must **not submit any articles that are being reviewed or considered by the journal to other journals simultaneously.**
- If authors wish to republish the article, they must write to the Chief Editor and acknowledge the journal.
- Must inform the Chief Editor or the publisher of any inaccuracy of data in their published work so that correction or retraction of article can be done.
- Should make significant contributions and be held accountable for any shortcoming in their work.
- Authors should state their results clearly, honestly, and without fabrication, falsification or inappropriate data manipulation. The methods used in the work should be clearly and unambiguously described so that the findings can be repeated and confirmed by other researchers.
- A statement on conflict of interest must be included in the manuscript if authors receive any support that might be construed to influence the results or interpretation of their manuscript. All sources of financial support for the project should be disclosed.

MULTIPLE OR REDUNDANT

- Authors should not publish manuscripts describing essentially the same research output in more than one journal or primary publication.
- A similar manuscript should not be submitted to more than one journal concurrently as this constitutes as unethical publishing behavior and is unacceptable.
- It is advisable that the name of an author only appears once in an issue.
- Author or co-author may publish articles in alternate issues only. Publishing in back to back issues is not allowed.
